CELEBRATE BAYARTS' 75TH JUBILEE!

LETTER FROM THE BOARD PRESIDENT MARY CONWAY SULLIVAN

Over the past 75 years, BAYarts has been a place for inspiration, refuge and artistic expression. A quiet space. A jubilant space. A place like no other in the region. And it keeps getting better! This fall, we will complete the next phase in renovating the former playhouse into a multipurpose space that will be used for classes, events, and performances.

There is no shortage of ideas for new and innovative programming. This phase of renovation will be completed in time for our biggest event of the year, Moondance, on September 9th, 2023.

My husband, Sean, and I are proud to join a growing list of generous supporters for this expansion project: Joseph Carney, James Otto and Monica Thomas, Frank and Barb Sullivan, Tom and Amie O'Brien, Barb Shipley and others. But we still need your support: once this phase is completed, we will begin work on the final phase of the renovation.

Thank you for being a part of The Jubilee Year at BAYarts! Celebrate with us! Learn with us! Grow with us! The best is yet to come!

Contact me to find out how you can be part of this historic renovation.

**BARBARA MARTIN:
NOW AND THEN**

SULLIVAN FAMILY GALLERY

OPENING RECEPTION AUGUST 11 | 5–8 PM

Barbara Martin is fascinated by the presence of life, past and present. She scours flea markets, garage sales, and antique shops to find remnants of lives lived long, long ago. A broken toy, a bill of sale, an old tool are all enchanting to her and she often combines them to express her distress with current political, ecological, and social issues. In contrast, her scratchboard bird "portraits" reflect her awareness and respect for the natural world in the here and now.
