BAYARTS SENSORY GARDEN

"In nature, nothing exists alone."

To further BAYarts' mission of inclusivity, our newest project is an innovative outdoor classroom and "quiet" gathering place that focuses on the senses: smell, sound, touch, and taste. Unique to this area, the Sensory Garden is designed by a focus group of special needs professionals, BAYarts educators and our friends at Ground Works Land Design. *Installation will begin spring 2024.*

BAYarts preschoolers learn in a nurturing, creative environment through play based, multi-sensory, hands on activities which emphasize the development of social skills, gross and fine motor skills, movement and rhythm. We've designed this art inspired curriculum which integrated Ohio's Early Learning and Development Standards, all while having FUN.

Art Clubs

For ages 10 and Older, Art club is a 30 week program that allows older children the opportunity to dive in and study an area of the arts that is of interest to them. Students will work throughout the year to build skills in their selected focus while also building self confidence, personal style, and community in the studio. In May, art club students will celebrate the year with a gallery exhibition of their work in the Diane Boldman gallery.

Register for the full year or by individual session.

Moondance

BAYarts Annual Arts + Culture Benefit

Thank you for supporting BAYarts at Moondance!

This year's Moondance was a true celebration of 75 years of art, culture, and community.

Thanks to your generosity and our other sponsors, guests, and raffle supporters, we were able to exceed our fundraising expectations and raised over \$50,000. The raffle alone brought in a record \$19,400! These funds will support BAYarts' diverse arts programming, free community events, gallery shows, art festivals, and more.

It was such a beautiful night, but what really made it special was the outpouring of support from our vibrant community. Friends and supporters of all ages mingled, laughed, danced, and connected joyfully together.

Thank you for celebrating with us and so generously donating to this amazing benefit.

We are truly grateful!

Special Thanks to Event Chairs Jill Hensel & Kelly Winzenread, event staff and dozens of volunteers!

We hope you'll save the date for next year!
