JUNE 7–JULY 6

Alchemy Dreams

Allison Bogard Hall

Alchemy: the medieval process of transforming ordinary metals into gold. What does it mean to dream of it? In a series of new oil paintings by Allison Bogard Hall, the artist presents snapshot-like images combining landscapes and figures that take us deep into a world on the razor's edge of reality.

JULY 12–AUGUST 3

Pause

Anne Manley

Anne Manley's paintings offer the viewer a place of peace and contemplation—a place to remove themselves from a very hurried and hectic world. When we are quiet and still with ourselves and our surroundings, our sensitivity is heightened, allowing us to be present and open to receiving the beauty around us.

AUGUST 9–SEPTEMBER 28

Shifts

Christopher Kaspar and Greg Martin

Shifts serves as a statement of how technology is used alongside conventional tools and ideas. We are challenging conventional tools and techniques to push the boundaries of what traditional photography is or was. We celebrate the innovation and ingenuity that happens when creativity intersects with technology.

CERAMICS

Beginning Ceramics • \$288 • Daloz

For students with little to no experience. Perhaps you have never taken a ceramics class, or you have but you want a refresher course. In this class we will learn the basics of wheel thrown and hand built ceramics, from wedging to glazing. Let us help you start on your clay journey!

MON • 6:30-8:30P • JUNE 10-JULY 29

Beginner To Advanced Ceramics • \$288 • Daloz

A class for students at all skill levels. Whether you're looking to perfect an already growing skillset, try working with clay for the first time, or unsure where you stand, this class is for you. Join us as we all find new ways to approach and improve techniques in both hand built and wheel thrown ceramics.

TUES • 6:30-8:30P • JUNE 11-JULY 30

Independent Study-All Levels • \$288 • Beale

This class is designed for students who like to develop specific ideas, a body of work, refine techniques, and pursue independent projects.

WED • 7:00-9:00P • JUNE 19-AUG 14 • No class July 3

THUR • 7:00-9:00P • JUNE 20-AUG 15 • No class July 4

Handbuilding & Wheel Throwing-All Levels • \$288 • Serafino

Whether your aim is functional or sculptural ceramics, students will learn the basic techniques of handbuilding and the mysteries of the potter's wheel. Beginning students will develop fundamental techniques while returning students will work on refining their skills.

FRI • 10:00A-12:00P or 12:30-2:30P • JUNE 21-AUG 16 • No class July 5

Home and Garden-All Levels • \$288 • Beale

Working with slabs, coils and pinching techniques or working on the potter's wheel, students will create functional or sculptural ceramics. Instructor will provide various demonstrations for multi-level students.

PAINTING

Painting in Oil -Intermediate/Advanced • \$450 • Hajnaj

Learn how to paint like the Old masters. This course is designed for students who are interested in learning painting techniques from the Renaissance era. Learn how to prime and tone a canvas, glazing techniques, layering, and how to utilize a limited color palette. You will also learn chiaroscuro, a favorite painting technique of Renaissance painters. The painting mediums are optional. *Classroom is located on the second floor. Supply list will be provided prior to class beginning.*

MON • 5:30-8:30P • JUNE 17-AUG 19

Painting in Oil -Beginning • \$450 • Hajnaj

This course is designed for beginner-level students who are interested in learning how to paint with oil. Students will learn about several painting materials: various types of mediums, brushes, substrates, and paints. The class projects are going to be easy and fun, such as painting simple objects using a limited color palette. The goal of the course is to familiarize students with a general understanding of painting as a process, the significance of good composition, proportions, and how to mix colors on the palette and canvas. We will also explore and consider how various painting techniques can create wonderful textures. *Classroom is located on the second floor. Supply list will be provided prior to class beginning.*

WED • 5:30-8:30P • JUNE 19-AUG 21

Exploring Color • \$170 • Flauto

Learn to mix ANY color with just a few base colors. Color theory concepts and terms will be de-mystified through discussion and hands on color mixing. We will explore how to develop color combinations for the effect that suits your own art process. This class will eliminate hesitation about how to use color in your work. All levels are welcome. *Classroom is located on the second floor. Supply list will be provided prior to class beginning.*

TUE • 6:30-8:30P • MAY 28-JUNE 25

PAINTING Continued

Exploring Abstraction • \$306 • Flauto

Come paint with me! This class will be relaxed and experimental. All levels are welcome. An intimate studio experience will allow me to tailor the class to your experience level. We will explore color, form, line, tone and texture using a variety of materials and tools. Learn how to create compelling abstract compositions. Our studio time together will be a combination of guided exercises and demos as well as discussion of past and present abstractionists. *Classroom is located on the second floor. Supply list will be provided prior to class beginning.*

TUE • 5:30-8:30P • JULY 16-AUG 20

DRAWING

* Sketch Your Day • \$68 • Tulcewicz

Come spend the day feeling like an artist and bring along pencils and a sketchbook! We'll gather as a group and be shown sketching exercises in graphite, wander the BAYarts campus and sketch the assignment. We'll gather again, get another assignment, critique, and lunch at various times throughout the day. It will be a mindful, meaningful and relaxing day along with some improvement of your drawing skills and practices. *Bring a packed lunch.*

SAT • 11:00A-3:00P • JUNE 29

* Introduction to Colored Pencils • \$75 • Plymak

Join illustrator/graphic artist John Pymak for this 2-session introduction to the popular drawing medium of colored pencils. The class will cover strategies for layering and blending colors to build shading, as well as choosing a creative palette based on the color wheel. We'll also work with traditional drawing concepts, such as design, composition, proportion, and measuring. Please bring a set of colored pencils and a drawing pad.

SAT • 12:30-2:30P • JUNE 29 and JULY 27

WRITING

Writer's Salon • \$68 • Mangan

Join a friendly group of writers for a magical summer idyll at BAYarts. This summer we will be exploring the warmth of nature and the beauty of the written word during our Writer's Salon. Students will be dipping into poetry, memoir, and prose through lively conversation and creative writing activities that will inspire original work. Enjoy the freedom of summer and friendships old and new during Writer's Salon. New and familiar faces are always welcome as well as Zoom members!

Summer Kids Classes

✦ One-Day Workshops

TUESDAYS

Summer Mystery Writing Course • Ages 8-11 • \$160 • Cornett

Are you a mystery buff? An amateur sleuth wanting to try your hand at writing your own mystery? In this class, young writers will learn the basics of the mystery genre from middle grade mystery author Doug Cornett. (Finally, Something Mysterious and Finally, Something Dangerous, Knopf Books for Young Readers). We'll study literary techniques such as foreshadowing, building tension, creating character, and plot development. We'll also look at specific tricks of the mystery genre, such as "red herrings," hiding clues, creating a compelling protagonist, and delivering satisfying solutions. Finally, the students will put these skills to use by creating their very own mystery stories!

TUE • 4:30-6:30P • JULY 16-AUG 6

Creative Kids • Ages 10-14 • \$400 • Giar

Instructor Jim Giar will be teaching the art of exploration. In this class students will delve into the use and techniques of working in miscellaneous mediums and applications. From painting large scale paintings to found or reclaimed objects. Students will explore the concept and experience of collaboration, working in teams and creating their own, one of a kind finished pieces or artwork.

9:30–11:30A

Things I Do With Mom! *Ceramics* • Ages 5–7 • \$180 • Serafino & Coursen

Let's celebrate with clay, a few things that you enjoy doing with your mom. Create a sculpture of your Mom, make a heart filled with love, a plaque of you and your mom baking together and more!

Make Your Mark! • Ages 6–8 • \$180 • Nemecek

Campers will experiment with a variety of printmaking processes and explore different ways to make their mark through art! We will design and make our own stamps, create prints using the power of the sun, and use flowers and plants to create nature prints.

Viva La France! • Ages 6–8 • \$180 • Jennings

France is a beautiful country in Europe famous for its artists, food, landmarks and language. Join Mrs. Jennings on a cultural adventure and create works of art celebrating famous artists and landmarks, enjoy French pastries and more!

Art Outdoors • Ages 6–8 • \$180 • Moon

Take in our beautiful campus while creating some amazing masterpieces! Our artists will explore a variety of techniques and mediums while working in the sunshine and enjoying hikes around the Metroparks for artistic inspiration!

Come Build a Board Game • Ages 7–10 • \$180 • Metzger

From START to FINISH you get to bring your own game idea to life. Students will sculpt game pieces out of clay, design and paint your game board, and decorate a game box to package it all in. At the end of camp we'll share our games with each other and have fun playing them!

Photography for Kids • Ages 10+ • \$180 • Shapiro

Each 2 hour class will address technical & aesthetic matters encountered while photographing subjects such as: portraits, landscapes, found objects, still lifes & man-made objects in and around BAYarts. Special attention will be given to seeing light & shadow as well as composition. Students' work will be discussed each session. Any functioning camera (or phone camera) will be appropriate. This course is suitable for beginners or those who have some basic skills. A photo magazine illustrating students' work will be published by Blurb and ready for pick up within 2 weeks of class end. A terrific publication you will be proud of!

9:30–11:30A Continued

Introduction to Drawing Medium: Graphite, Colored Pencils, Pen & Ink Ages 11–14 • \$180 • Plymak

Children's Book illustrator John Plymak is excited to offer this camp on drawing media, which will include graphite, colored pencils, and pen and ink. Each class will cover drawing basics, as well as projects introducing young artists to 3 popular drawing media. The class will be fun as well as informative, and will include cartoon and Anime drawing demos led by John. All supplies are included, and each student will receive a drawing pad to keep.

COMING SOON

THE BAYARTS SENSORY GARDEN

We are pleased to announce our plans for a new Sensory Garden behind the Huntington House. A sensory garden is not just a place of beauty; it's a space that fosters well-being and stimulates creativity! This visionary project will provide a sanctuary for relaxation, reflection, and learning for students, faculty, and the wider community. **Our campus deserves a space like this.**

Your support matters!

We need your help to bring this vision to life.

Ways to contribute**1****DONATE**

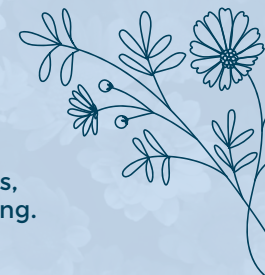

Your monetary contributions will go directly to building and maintaining the garden.

2**SPREAD THE WORD**

Share the news of our project with friends, family, and anyone interested in supporting.

3**VOLUNTEER**

If you have skills in landscaping, gardening, or fundraising, we would love your help!

Together, let's create something truly special.

Our goal is not just to build a garden, but to create a legacy - a place that generations of students, faculty, and visitors can enjoy and cherish.

Thank you for considering this meaningful project.
Let's make the BAYarts campus even more beautiful, inclusive, and vibrant!

CREATIVITY CORNER

The Creativity corner is a creative space for kids using community art materials open during our business hours (excluding class times).

FILL OUT THE BIRTHDAY INQUIRY FORM HERE!

Birthday Parties

Book your child a creative birthday party! We'll handle the craft, and you bring the cake, food, and friends. Choose from several mediums like painting, drawing, jewelry, or even Legos.

**Subject to staff and room availability, parties are not booked during months of June, July, and August due to high volume of camps and classes.*

Scouts

Book your Boy or Girl Scout troop with us! Let us help you work towards a badge or just come for fun and earn a BAYarts program patch.

SCHOLARSHIP OPPORTUNITIES

BAYarts is once again offering scholarships for youth and adult art classes. The newly formed fund is made possible by BAYarts' Friends of BAYarts Auxiliary Board. The purpose of the fund is to provide financial assistance for anyone ages 3 and up who would benefit from BAYarts enrichment programs. Applicants are not judged on artistic merit. BAYarts receives a number of applicants each year, and we will make every effort to accommodate applicants, but if you are not approved, we encourage you to reapply in the future. If accepted, you may use the funds toward the class of your choice based on availability. *Scholarships are available for Fall, Winter and Spring Quarters only. Exclusions: Summer Camps*
