The Grand Opening

On September 3, we proudly celebrated a major milestone: the ribbon cutting for the completion of phase 2 of our Playhouse renovation!

The newly transformed Sullivan Family Auditorium expands our ability to host concerts, plays, speakers, and more, while also serving as a venue for large classes, weddings, and corporate events. We're thrilled to share this new space with our community.

A heartfelt thanks goes to all the donors who made this renovation possible, as well as the Cleveland Metroparks and Bay Village Mayor Paul Koomar for their continued support!

For more information on how you can support this project, please contact Mary Conway Sullivan at mary@bayarts.net.

Capital Campaign for Phase 3

BAYarts is excited to announce the launch of the Capital Campaign for Phase 3 renovations of the Playhouse!

With the recent completion of the auditorium and stage renovations, we are now focusing on Phase 3, which will include the construction of an ADA-compliant hallway, two new music rooms, and additional restrooms to enhance accessibility and functionality. Our goal is to raise \$1 million for this phase, and we are thrilled to share that we're already a third of the way there.

Contact Mary Sullivan at mary@bayarts.net for more information or to schedule a tour of the building.

UPDATE ON THE BAYARTS

SENSORY GARDEN

The BAYarts Sensory Garden is making great progress, with half of our fundraising goal already achieved!

However, we still need your help to ensure we can break ground next spring. The planned garden will feature natural and artistic elements designed to engage the senses, a vibrant pollinator garden, and will be fully ADA-compliant, creating an inclusive space for everyone in our community to enjoy.

Your support is crucial to bringing this vision to life!

Changes at BAYarts

Nancy Heaton, Executive Director of BAYarts, has announced her departure by the end of 2024, marking the end of a remarkable 20-year tenure. Under her leadership, BAYarts transformed from a struggling organization into a vibrant cultural hub that now attracts over 20,000 visitors annually for classes, exhibitions, and events. Heaton's contributions have been widely recognized by the BAYarts community, with Board members, staff, and volunteers praising her for revitalizing the organization and fostering its growth. BAYarts celebrated her legacy at the 2024 Moondance benefit.

Heaton has expressed confidence in her successor, Associate Director Beth Milli, who has been with BAYarts since 2016 and will assume the role of Executive Director after Heaton's departure. Milli has taken on increasing leadership responsibilities in recent years, including overseeing the renovation of the former Playhouse, positioning her well to guide BAYarts into its next chapter. Reflecting on her time at BAYarts, Heaton emphasized the importance of collaboration and fresh ideas in keeping the organization vibrant and relevant to the community, a vision she believes Milli will continue to uphold.
